## COMPUTER PROFICIENCY :

- Programming Languages : C, C++ , Java, Python, Android Development
- Web Development : HTML , CSS , JavaScript , PHP, AngularJS
- Database Management : SQL, SSAS
- Operating Systems : Windows , Ubuntu

## WORK EXPERIENCE:

### Software Engineer at MAQ Software, Hyderabad

June 2016 – Current

Currently working as a Software Engineer, my responsibilities include understanding requirements, developing, unit testing and bug fixing. Mainly working on backend technologies involving SQL and SSAS.

### Software Development Intern

May 2015 – July 2015

Worked on a Website Development Project during the internship where in I gained hands-on experience on frontend as well as backend development. I was responsible for developing Sales Dashboard page of the website.

## PROJECTS :

### **Android Project**

**February 2016 – May 2016**

Developed an Android application, Coursafari with the primary aim of aiding the attendance system in schools and colleges. The application had two account types, student and teacher. The main functionalities included marking attendance (by teacher), uploading assignments (by teacher), checking attendance percentage (by student) and submitting assignments (by student).

### **Scholfin Scholarships**

**August 2015 – December 2016**

Scholfin is a Scholarship search engine, founded by students of our college, to help students of all age groups find scholarships. As a part of the team, my responsibility was to build the website, mainly frontend development using technologies like AngularJS, HTML and CSS.

## ACHIEVEMENTS :

- Worked as Frontend Developer for ScholFin, a scholarship search engine, a startup founded by the students of VNIT, Nagpur.
- Qualified GATE-2016 with AIR 2150.
- Qualified AIEEE with a good rank on the basis of which got admission into VNIT, Nagpur.
- Achieved 97% score in 12<sup>th</sup> Board Exams.
- Achieved 100% marks in Mathematics in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> standards.
- School topper in 10<sup>th</sup> standard for which I was awarded a gold medal.

## EXTRA- CURRICULAR ACTIVITIES :

- Active participant in Quiz, Debate and Public Speaking.
- Served as the Ladies Representative for CSE department at VNIT.
- Worked as Event Manager for annual technical festival of VNIT, AXIS.
- Served as School Leader.
- Participated in Science and Mathematics Olympiad at School level.

I hereby acknowledge that the information furnished above is correct to the best of my knowledge.
